INTRODUCTION

Place: Earth

Time: Years Past The Millennium

It is a few years past the Millennium and Dr Dex Zeng is **INFURIATED**.

As a former high powered **GOVERNMENT AGENT** with his nose in many areas (including the **SEEDY** and **LICENTIOUS** New York **UNDERGROUND**), as well as a renowned radical scientist and professor in Theology, Dr Dex Zeng **TRULY** believed the end of the world would come by the **YEAR 2000**.

EVENTS occurring toward the turn of the century confirmed to Dr. Zeng that the year 2000 would bring the **ARMAGEDDON**. The signs were clear! Zeng was so sure, in fact, that he even convinced many of his ex-employees (who happened to be prominent members of local militias) that this was fact and they helped him prepare for this almighty **CONCLUSION**.

Zeng is like a better functioning Idiot savant. He is brilliant in what he does. He sets his mind to a goal and achieves it – no matter what.

Over the years, Zeng has developed a **MEGALOMANICAL** complex that many suspect may have been caused by the use of **SYNTHETIC DRUGS** he's made for the government and tested on himself and other family members.

Like the few megalomaniac's in history, he actually thinks he is the **KEEPER** of the **EARTH**. The Father Nature, the Chosen One. He feels that anyone in his **PRESENCE** should bow before him **AS THOUGH** he **WERE** a god.

When the **MILLENNIUM** hit us at 12:01 am January 1, 2000.....

NOTHING HAPPENED!

Filled with outrage intensified by those who surround him, Dr. Dex Zeng insists that **SOMETHING WENT WRONG**.

He knows from his years and years of reading, teaching and hypothesizing that **IT WAS SUPPOSED TO HAPPEN**.

Fortunately, Dr. Zeng had a plan in **CASE** something like this did happen.

He is prepared to **FIX** the Apocalypse — to **FORCE** it — to **CORRECT** the malfunction.

And the scary part is — **HE IS ONE OF THE VERY FEW WHO CAN MAKE IT HAPPEN!**

Dr. Zeng now believes that it is **HIS JOB**, to **AT ANY COST — END THE WORLD**. With the help of biological warfare devices and several militant followers, as well as his connections in the Underground, it shouldn't be difficult.

BUT, one of Dr. Zeng's lab assistants, Snapper, decides she can no longer stand this man's corruption and calls on a friend for help in stopping him.

With this act she helps bring together what will be known as one of the most **VOLATILE TEAMS EVER CREATED!**

IT'S TIME TO END ——— THE END OF THE WORLD

NINTENDO 64 SETUP

CONTROL STICK FUNCTION

The Nintendo 64 Controller contains a Control Stick which uses an analog system to read the angles and direction of its movement. This allows subtle control that is not possible using the conventional 8-way Control Pad.

When turning the Controller Deck power ON, do not move the Control Stick from its vertical position as this will set it as neutral.

If the Control Stick is held at an angled position as shown in the picture on the left whilst the power is turned ON, this position will be set as neutral. This will cause games using the Control Stick to operate incorrectly.

To reset the neutral position once the game has started let go of the Control Stick so it can return to its center position as shown in the picture on the left then press START while holding the L and R Buttons.

The Control Stick is a precision instrument, make sure not to spill liquids or place any foreign objects into it.
